

Name: _____

Date: _____

April Morning Work

Today I feel: _____

Weather:  sunny cloudy rainy snowy windy

Season: spring / summer / fall / winter

Number of the Day

438

Th: ____ H: ____ T: ____ O: ____

Expanded form:

10 more: ____ 10 less: ____

Spring Math

 $37 + 26 = \underline{\quad}$ $84 - 39 = \underline{\quad}$

Compare: 438 ____ 483

A class planted 36 seeds on Monday and 27 on Tuesday. How many seeds did it plant altogether?

Answer: ____ Show a strategy.

Phonics & Word Work

Read rain, trail, and snail. Underline ai.
Write one more ai word.

Fix capitals and end punctuation:

mia plants seeds in april

Read & Think

Mia put a shallow tray under her seed pots. After she watered the pots, drops ran into the tray. The table stayed dry.

Why did Mia use a tray?

Underline a clue in the passage.

My April Growth

One small thing I can learn today is...

Small steps help great ideas grow.

Name: _____

Date: _____

May Morning Work

Today I feel: _____

Weather: ☀️ sunny

☁️ cloudy

☔️ rainy

❄️ snowy

🌀 windy

Season: spring / summer / fall / winter

Number of the Day

487

Th: ____ H: ____ T: ____ O: ____

Expanded form:

10 more: ____ 10 less: ____

Math Review

 $46 + 38 = \underline{\quad}$ $92 - 47 = \underline{\quad}$

Compare: 487 ____ 478

Bea counted 28 birds in the morning and 37 later. How many birds did she count in all?

Answer: ____ Show a strategy.

Phonics & Word Work

Read day, play, and stay. Underline ay.
Write one more ay word.

Fix capitals and end punctuation:

bea watches birds on monday

Read & Think

Bea wanted to remember the birds she saw. She drew each one in a notebook and wrote its colors beside the picture. Later, she used her notes to tell her family about the walk.

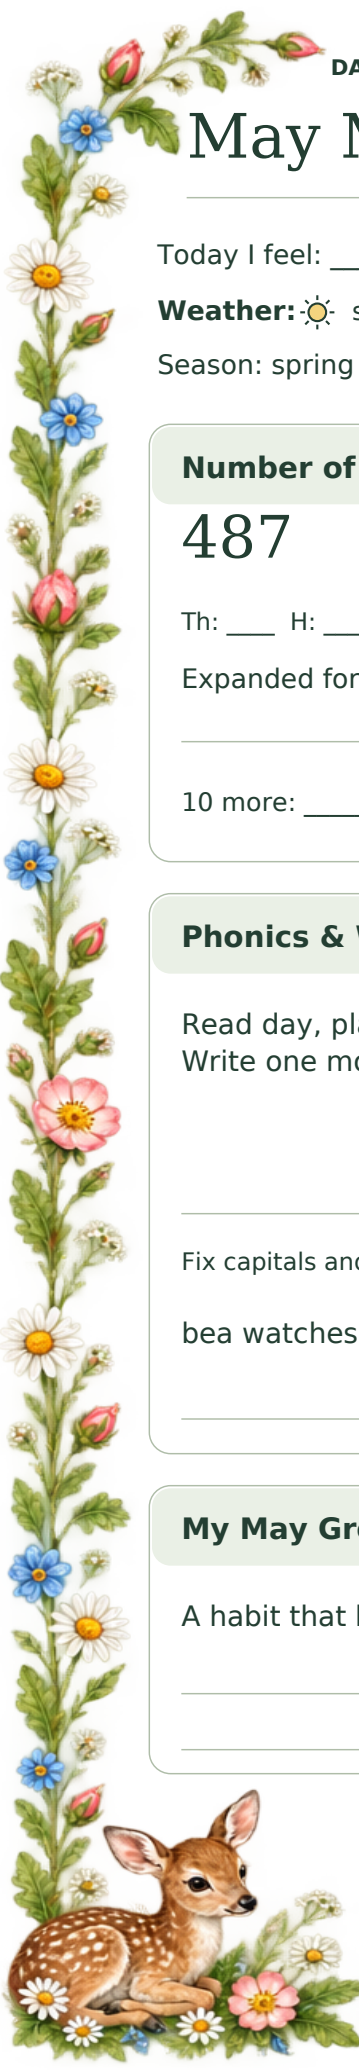

How did Bea remember the birds?

Underline a clue in the passage.

My May Growth

A habit that helps me learn is...

Small steps help great ideas grow.

Name: _____

Date: _____

June Morning Work

Today I feel: _____

Weather: ☀️ sunny

☁️ cloudy

☁️🌧️ rainy

❄️ snowy

🌀 windy

Season: spring / summer / fall / winter

Number lines

Ticks are equally spaced. Write the missing number and mark 650.

Draw >, <, or =: 650 ____ 605.

Number & Problem Solving

$$48 + 37 = \underline{\quad} \quad 92 - 46 = \underline{\quad}$$

Mia read 36 pages, then 28 more. How many pages did she read?

Answer: ____ Show a strategy.

Phonics & Language

Read rain, trail, and paint. Underline ai. Write another ai word.

Fix capitals and punctuation: mia reads on monday

Read & Think

Mia found a shallow pool beside the trail. The water barely covered the tops of her boots. She chose a dry path so she would not splash her notebook.

What does shallow mean here? Use a clue.

My June Thinking

Write one goal for keeping your second-grade skills strong.

Little adventures help our learning grow.

Name: _____

Date: _____

July Morning Work

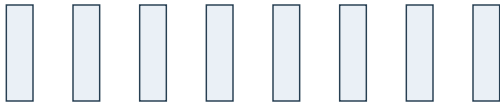

Today I feel: _____

Weather:  sunny cloudy rainy snowy windy

Season: spring / summer / fall / winter

Tens & ones

Count the tens and ones. Write the number.

☐ ☐ ☐ ☐

____ tens and ____ ones = ____

Expanded form: ____ + ____

Number & Problem Solving

$9 + 6 = \underline{\quad}$ $15 - 7 = \underline{\quad}$

Mia packed 12 red cups and 6 blue cups.
How many cups did she pack?

Answer: ____ Show a strategy.

Phonics & Language

Read sun, bug, and cup. Circle the short-u vowel in each. Write one more short-u word.

Fix capitals and punctuation: mia reads in july

Read & Think

Mia packed a book for the picnic. She put it in a bag so it would stay clean. After lunch, she spread a cloth under a tree and read in the shade.

Why did Mia put her book in a bag?

My July Thinking

Write one thing you want to practice this July.

Continue longer answers on the back.

Small steps help our summer learning grow.

Name: _____

Date: _____

August Morning Work

Today I feel: _____

Weather: ☀️ sunny

☁️ cloudy

☁️ rainy

❄️ snowy

🌀 windy

Season: spring / summer / fall / winter

Count & build

Count the dots. Circle a group of 10.

Total: _____

14 = _____ ten and _____ ones

Number & Problem Solving

$$5 + 3 = \underline{\quad} \quad 8 - 3 = \underline{\quad}$$

Mia has 6 pencils. She gets 4 more. How many now?

Answer: _____ Show a strategy.

Phonics & Language

Read bag, map, cat. Circle a. Write one more short-a word.

Fix the sentence: i have a bag

Read & Think

Mia put her bag by her chair. She found her name on the table. A new classmate waved. Mia smiled and waved back.

What did Mia do when her classmate waved?

My August Thinking

Tell your teacher one thing about you.
